Jalan Karang Asem 16 Rt/04 Rw/03 Sirandu, Bulakamba, Brebes, Indonesia 52253

I am a 2023 Bachelor of Economics graduate from Muhammadiyah University, Yogyakarta. I have interests and abilities in finance, administration and banking. During college, I focused on subjects related to finance, business management, banking, and the creative economy. The experience I have is an internship program at the DIY Governor's Office at the Regional Infrastructure Development and Development Financing Bureau of the DIY Regional Secretariat for 1 month. My organizational experience is joining the Economics Student Association or HIMIE as a member of the entrepreneurial community.
